NUMBER 52

EBRIGHT HEADS TOWNSHIP CIVILIAN DEFENCE COUNCIL

CENTERVILLE — An advisory board of civilian defense, to coordinate the defense activities of this Township was organized Sunday afternoon in the Justice courtroom here with A. W. Ebright of Niles elected to serve as head.

About 30 persons in key positions throughout the Township were present to hear Sheriff "Jack" Gleason explain a mimeographed plan of organization and operation laid out by the County Civilian Defense Council. This plan has to be used uniformly by incorporated cities and unincorporated districts, he said.

Chief Ebright appointed the following steering committee to include a representative from each town: Judge Norris, Centerville, E. F. Glassbrook, Niles; L. W. Musick, Decoto; Joseph Corey, Irvington, Matt Whitfield, Mission San Jose (and Warm Springs); H. J. Bolyard, Newark and J. C. Wasley, Alvarado.

This committee met with the Chief Tuesday evening in justice court here to map out their immediate program of operation, patterned on the mimeographed folder left by Sheriff Gleason.

The Sheriff emphasized on Sunday that the Air Observation group, working under Jack Vieux of Niles as chief is governed only by the Fourth Interceptor Command and is not subject to the Sheriff's office or any other authority.

— Insists on Courtesy

The Sheriff insisted that all emergency officials must show courtesy and tact when dealing with the public, and must prevent hoodlumism and other unlawful activities during blackouts.

Public Information is of the utmost importance, the Sheriff stated.

William Davis of Niles, president of the Drop Forgers Union at the Pacific States Steel plant said he had 250 able-bodied men ready and anxious to serve for the Township's protection in any capacity given them.

(Editor's note: this fine body of men no doubt can be registered and trained for bomb handling, bomb squad work and as auxiliary firemen, all three activities corre-

lated with local fire departments. They can also assist garagemen and contractors in the rescue and demolition group as soon as the latter activity is organized and workers are asked for.)

— Use Fire Houses

The Sheriff insisted first aid equipment will have to be located in Township firehouses for emergency use, pointing out the nurses and doctors could use schoolhouses for care of patients after emergency treatment, as they saw fit.

A representative each of the telephone company and the county surveyor's office will have to be members of the Township Council, he said. The services of Boy Scouts over 16, particularly those with bicycles should be listed for messenger duty during emergency periods. Boys under 16 are not sufficiently responsible, he said.

Officer Starasinc from Hayward has been assigned to permanent duty in Washington Township as Information and Liaison Officer, he announced.

NO CHANGES can be made in the administrative set-up laid down in the information manual put out by the County Civilian Defense Council, he emphasized.

OCD arm bands are on their way here for the use of emergency officials. His local Deputies are already wearing them.

So soon as volunteers are wanted to sign up for duty in activities yet to be formed, the public will be informed of the time and place of registering, through this newspaper and otherwise.

COUNCIL BECOMES INACTIVE

Meeting at Centerville again Tuesday night for organization, Chief Ebright and the eight council members decided, after two hours of discussion, that the duty of protecting Washington Township residents was being properly cared for by county officials, hence there was no incentive for a local group to function.

The council adjourned sine die, subject to call should orders be received from county authorities to proceed with any specific undertaking.

Mr. and Mrs. E. A. Ellsworth are entertaining eighteen members of their family on Christmas Day.

OUR BOX SCORE

(Since the war started)
At Bat: United States, England, the Dutch and China.
Our Inning.
PUT-OUTS:
Nazi submarines: 15.
Jap submarines: 3.
Jap cruiser: 1.
Jap transports: 19.
Jap destroyers: 3.
Jap motor ship: 1.

FUNDS AVAILABLE FOR TOWNSHIP DEFENSE USE

District Attorney Ralph Hoyt told your editor Sunday by telephone that if county funds were needed for a particular emergency defense use in Washington Township, requests stating the specific purpose should be sent to his office for study, following which such requests would be sent to the board of Supervisors for action.

The Roland Bendel family are spending Christmas at Mill Valley at the home of Mrs. Bendel's sister, Mrs. E. C. Wood.

Public Instruction Classes Start Soon

CENTERVILLE — Classes in public instruction in emergency work, starting with the standard Red Cross first aid classes, will start soon after the holidays, according to Barton Webb, evening high school principal.

Dr. E. C. Grau of Niles will personally instruct the first one-third of the series of 12 or 14 class periods; Dr. W. L. McWhirter of Centerville the second third of the series and Dr. George Holeman of Centerville the final one-third, according to Mr. Webb.

Instruction will cover first aid, resuscitation, handling of the injured, splints, treatment of gas, shock, and asphyxiation.

Announcement will be made soon of when interested persons should begin to sign up.

OUTDOOR LIGHTS ARE O. K. IF MANUALLY HANDLED

Outdoor advertising signs including neon signs, may now be lighted regularly, provided they are controlled by a switch which can be thrown by a person over 18 years of age, within 30 seconds of the sounding of an air raid warning.

This permission is contained in Section 4 of Ordinance No. 364 unanimously passed by the Board of Supervisors on Tuesday of last week, a copy of which may be seen at The Township Register office. The Ordinance is too lengthy to publish in full, and comes under the heading of Legal Notice advertising anyway.

It also governs activities of persons during blackouts, provides stiff penalties for violations, defines emergency officers and emergency duties, and defines their privileges.

SHERIFF'S CAR ON 24 HOUR DUTY IN THIS TOWNSHIP

For the past several months a car from the Sheriff's office at Hayward has been assigned to 24 hour patrol duty exclusively in Washington Township. Deputy-Sheriff Henry Vervais advises this newspaper.

In emergency, when Deputy Vervais cannot be contacted citizens should CALL HAYWARD 1642, which is the Sheriff's office and the Sheriff's short wave radio will relay the call to the patrol car wherever it may be in this Township.

Write down the above number by your telephone, to be handy in case of need.

— Drive slower, save gas! —

RELAX! RELAX!

Adjutant General Donovan's letter to this newspaper of December 17, requesting with-holding of publication of State Guard activities, assignments of personnel, etc. apparently has not reached the big dailies.

Monday's San Jose daily newspaper bears a clear three column picture of a big gun parked in somebody's driveway in the residential district of San Jose, showing a soldier on guard, with the caption: "and there are many more of these big guns here, oiled up and ready for action." Japanese spies please note.

Monday's Tribune shows a swell picture of Marines assigned to guard duty at an Alameda manufacturing plant, name and location of plant given.

So what's the use of a small weekly endeavoring to observe censorship? Pour in your military news, folks, and until the dailies begin suppressing it this newspaper will publish what news it gathers, letting the government worry about possible results. — The Editor.

ADDITIONAL WARNING

Arrangements have been made that during air raid alarms the big steam whistle at the California Pottery company at the entrance to Niles Canyon will be sounded as soon as the watchman can reach it. This will help to apprise Canyon residents to black-out, Deputy-Sheriff Henry Vervais advises this office.

The postoffice reports that the sale of defense stamps here has hit a new high and more patriotic Americans are buying them every day.

RED CROSS NEEDS \$5,000; NILES MUST RAISE \$1,000 NOW

CENTERVILLE — In keeping with President Roosevelt's request for \$50,000,000 for emergency use of the Red Cross the Washington Township Chapter is hard at work to raise its \$5,000 quota.

Chairman F. T. Dusterberry spent the weekend sending out letters to firms and organizations, and community chairmen of this special drive have been named and are at work.

R. A. Blacow, Niles Chairman called a meeting of his committee Monday afternoon at the Central Bank in Niles and solicitation has been started to raise Niles' quota of \$1,000.

Chairman Dusterberry has named the following town chairmen for the current solicitation for funds: Alvarado, John R. Blacow; Centerville, M. P. Mathiesen; Decoto, Harry Searles; Irvington, Carl Christensen; Mission San Jose, Frank Semas; Newark, Anthony E. Francis; Niles, Robert A. Blacow and Warm Springs, Joseph S. Brown.

WOMEN PREPARE NURSING SERVICE AT THE MISSION

MISSION — The nurses of our community are organizing into an emergency unit here at the Mission and the first meeting will be held within the week. Mrs. George Coefield and Mrs. Vera Witherly will head the group. All women who can devote some of their time are asked to give their names to either of these nurses. Watch the postoffice window for all important announcements. There is a great demand for clean worn sheets and pillow cases and corrugated board to be used in the making of splints and for bandages. The Dominican Convent has offered a room for emergency treatment as well as St. Mary's of the Palms. They are training a number of the sisters as nurses to help. The Red Cross is also making another call on us for emergency funds, so do your part and give all you can for this worthy cause.

SAFE IN HAWAII

Mrs. Wm. D. Cull has received word from her sister, Mrs. F. H. Smith from Honolulu that all are O. K. Mr. Smith is Warrant Officer with the Headquarters of the Hawaiian Department at Fort Shafter near Honolulu.

Word was also received from Mrs. Clifford Oliver, daughter of Mr. and Mrs. Smith, from Hickam Field. Oliver is connected with the Air Base there.

THE CALL TO THE COLORS IS A CALL FOR DOLLARS!

Dig deep. Strike hard. Our boys need the planes, ships, and guns which your money will help to buy.

Go to your bank, post office, or savings and loan association. Tell them you want to buy Defense Bonds regularly, starting now.

STATE GRANTS HALF MILLION FOR GUARD USE

BILL PERMITS MEN TO RESIGN AFTER 30 DAYS NOTICE

SACRAMENTO — After four continuous days of confusion the state legislature on Monday night granted the Governor the sum of \$1,000,000 for his emergency fund use, half of it to be devoted to State Guard use. The law-makers will convene again on January 12, ready to vote further appropriations if specifically needed.

Another bill, introduced by McCollister, passed Monday by both houses and awaiting the governor's signature Tuesday, would permit Guardsmen to resign during the next 30 days, under certain conditions, namely:

If they have one or more dependents; if they are employed or engaged in a defense industry; for physical disability, or if continued service outside their home counties entailed hardship or business losses.

(It is not clear whether the McCollister bill permits Guardsmen to resign, when necessary, after any 30 day period, or only during the specific 30 day period after the governor signs the bill.)

No orders nor direct communication have been received at the Niles office of the Township Guard company from the Adjutant-General's office, since a telephone call of Wednesday, December 19, other than the routine releases of promotions made within the Guard throughout the state.

Meantime, about 40 of the 99 men who have signed up with the local outfit since September 8, are drilling regularly twice a week in the Washington High school gymnasium under the command of Reserve Lieutenant J. L. Pearson of Niles, himself awaiting a call into active service.

The older men, particularly those with dependents and day or night jobs in local defense industries are not turning out for drill of late, due to the uncertainty of their status should the local Company be ordered to prepare to be mustered in. Men of the latter class, who are willing to serve if the company is retained on guard duty within the Township, probably will not "join up" if the company is to be mustered in and assigned to other duties outside the county.

The issue hinges on if and where the enemy strikes on the Pacific Coast — and when orders issue from the A. G. O., and what these orders say.

— Talk, Act American! —

CHRISTMAS MASSES

NEWARK — A High Mass was held Christmas morning at 8 a. m. at St. Edward's Catholic Church in Newark. A low mass with Christmas hymns was celebrated at 10 a. m. Father McLaughlin, pastor, states "that Christmas this year finds the world in a sorry state, but only the Prince of Peace can restore that peace which we all so earnestly desire."

The same old greeting, but with the added fervor of many years' repetition.

It is our sincere wish that each member of your family will enjoy the most bountiful and happiest Christmas ever!

And may we add a word of thanks for your much appreciated patronage during the year.

Mr. and Mrs.
DAN MARBLE
Niles

Once again the reindeer sweep down from the North with their cargo of cheer. About time that we were thinking of the friends who have so loyally remembered us.

Your generous patronage has helped make our year a good one, and we are taking this means of sending you a word of personal thanks to let you know how much we value your friendship.

We sincerely hope that your holiday season will be exceptionally happy.

CHILDREN ENJOY BLUEBIRD CLUB'S CHRISTMAS PARTY

NEWARK — The yearly Christmas party given by the Newark Bluebird Club was held Friday afternoon at the school auditorium for the school children and smaller children of the town. The four lower grades with their play entitled, "Doll Time" stunned the audience. The glee club also sang Christmas Carols. Pratt D. Truscott played a trumpet solo entitled Silent Night, while Arthur Brown played the same song on the violin.

About 500 people were present. Toys and candy were given out by the Bluebird women, Mrs. Callow, Mrs. Mikkelsen, Mrs. Tuchen, Mrs. James Miller, and Mrs. Steinhoff.

BEAUTIFUL CAROL SERVICE IS HELD AT ST. JAMES CHURCH

(Special to The Register)

CENTERVILLE — An uncommonly beautiful candle-lit Carol service was held Sunday evening at 5:30 o'clock in St. James Episcopal church here as a union service between the several Protestant churches of the Township with Reverend Arnold Nash in charge.

Dr. Elton Trueblood of Stanford University delivered a challenging message on the Christian's position in a war-torn world.

An augmented choir from the several churches sang half a dozen of the well-known Carol hymns and a lay reader from each of the five churches participating read from the Gospels.

The interior of the church was lighted only by candles mounted on long rods around which evergreens twined fragrantly. The auditorium was filled with Christmas worshippers.

Sunday school — Younger children at St. James Episcopal, older children at the Presbyterian church. Parents can attend the church service while the children are in classes.

Mr. and Mrs. Bud Karius of Irvington motored to Los Angeles where they spent Christmas with relatives.

Lucille Sinclair of San Jose spent a few days of last week with her parents, Mr. and Mrs. William Sinclair here.

Mr. and Mrs. Frank Garcia and daughter Lorraine of Turlock visited Mr. and Mrs. Pete Medeiros of Irvington on Thursday.

Mr. and Mrs. D. W. Thornburg are spending a two weeks visit with friends in Southern California.

Mrs. V. W. Dycus and daughter Gloria Dukatnik and Vincent Dycus, all of Oakland visited friends in Irvington on Sunday.

Dr. and Mrs. E. M. Grimmer and family enjoyed Christmas dinner with relatives in Southern California.

Mr. and Mrs. Charles Champion, former residents of Irvington who are now residing in San Miguel visited friends here on Monday.

Mr. and Mrs. Manuel Gianandrea and family of Santa Barbara spent the Christmas holidays with Mrs. Mary G. Nunes and daughter Alberta.

Mr. and Mrs. Antone Silva had a family reunion Christmas dinner at their home on Roberts Avenue on Christmas day.

Mrs. Wayne Day was chairman of the annual Christmas party which was given by the Irvington P. T. A. at the closing program for Christmas vacation at the Irvington Elementary school. A large amount of Christmas candy and big red apples was given the children by Mr. and Mrs. Santa Claus.

The Irvington Campfire girls accompanied by Mrs. Raymond Benbow and Mrs. L. H. Adams spent an enjoyable afternoon of ice skating at the San Jose Ice Bowl Monday afternoon. Refreshments were served by Mrs. Adams upon the return of group to Irvington.

TANGLE AND TWIST MEMBERS ENJOY CHRISTMAS DINNER

MISSION — The Tangle and Twist Rifle and fishing club held their annual Christmas dinner at the International Kitchen, Niles, on December 17, with some fifty persons present. President Robert Hunt, Sr., greeted the members and their guests and turned the meeting over to Marston Dassel as toast master. The six course turkey dinner was enjoyed by all present. During the evening songs and fun were in evidence around the table.

The gavel was turned over to the new president, Tony Costa, for the coming year and he gave a short speech of acceptance. The National Rifle Association of Washington, D. C. awarded a senior and junior medal for marksmanship and these were won by Robert Hunt, Sr., and his son Robert, Jr. Those present were: Mr. and Mrs. Robert Hunt and Marjorie and Robert, Jr., Mr. and Mrs. Ray Peterson and son Ray, Jr., Mr. and Mrs. Cramen Mrs. Joe Janeiro, Mr. and Mrs. Dave Janeiro Mr. Al Halstrom and sisters, Mr. and Mrs. Ernie Sabine and daughter, Mr. and Mrs. George Smith and sons George, Jr. and Leonard, Mr. and Mrs. Louis Zwissig, Mr. and Mrs. Joe Dutra, Mr. and Mrs. Alfred Silva, Mr. and Mrs. Walter Steinmetz, Frank Dias, Mr. and Mrs. Claire Bettencourt Mr. and Mrs. Thomas Cunha and Tom, Jr. and Shirley, Mrs. Lois Justus and Elaine, Ruth and Bert Justus, Mrs. Grace Meyers and Joseph Periera, Mr. and Mrs. Marston Dassel and Mr. and Mrs. Tony Costa and daughter Alby May. The only two members absent were Joe Janeiro and Harley L. Justus, the latter at McClellan Field, Sacramento.

Mr. and Mrs. George Caldera of Hayward, Kay Cole and Leah Williams of Oakland and Mr. and Mrs. Rudy Frates of Oakland visited with the Raymond family on Christmas day.

Mr. Raymond Benbow attended the annual Campfire dinner on Saturday of the Y. W. C. A. in San Jose.

Mr. and Mrs. Joe Rabello of Oakland enjoyed their Christmas dinner with Mr. and Mrs. Manuel Soito and daughter Beverly here.

The next meeting of the Irvington P. T. A. will be an afternoon meeting on January 8 at 2:30 p. m.

NILES CHURCH HOLDS CHILDREN'S PARTY SUNDAY AFTERNOON

The annual children's Christmas party was held Sunday afternoon at 3 o'clock in the Niles Congregational church with Mrs. Fred Duffie, Sunday School superintendent, directing. A number of vocal and instrumental numbers were given by the children with many recitations, followed by a pageant, "Star Gleams." The auditorium was filled and bags of candy were distributed.

Assisting Mrs. Duffie were Mrs. G. W. Karel, pianist, and Mesdames Julia Jergentz, Donald Uishner, Lloyd Boulter, W. T. Lindsay and Hilliard Hale, all class teachers.

Mr. and Mrs. Raymond Benbow and family are spending the Christmas weekend with relatives in Woodland.

We hope you spend Christmas with all your heart. Laughter, kindness, simple cheer, peace of spirit, and gifts galore!

We are grateful to you for your kind patronage during the year, and look forward to a continuance of our pleasant relationship.

JOSEPH M. SANTOS, PIONEER RESIDENT, ANSWERS SUMMONS

NEWARK — Joseph M. Santos, 80 years of age, a resident of Newark for over thirty-five years, passed away at his home on Olive Street Thursday of complications due to old age. He had been failing in health in the past few months. About six months ago he celebrated his 80th birthday when a family reunion of eight brothers and sisters boasting an average of 71 years of age gathered at his home in Newark.

He came to this country from the Azores at the age of 15 and settled in Mission San Jose in 1876. About five years ago he retired as county roadmaster for the town of Newark, a position he had held for over twelve years.

He was a member of the U. P. E. C. lodge of Newark, I. D. E. S. lodge of Newark, and numerous other organizations. Until his death he had been residing with his daughter, Miss Rose Santos.

Church services were held Monday morning at St. Edward's Catholic church in Newark with Father McLaughlin officiating. Burial rites followed at the Holy Sepulchre cemetery in Hayward. The body was laid out before funeral rites at the Chapel of the Palms mortuary in Centerville. He was buried alongside his wife, who passed away twelve years ago.

The pallbearers were John Pope, Bert Martin, John Espinola, Joe Guardanapo, Frank Meneze, and John Faria.

He is survived by four daughters, Rose Santos, and Mrs. J. D. Silva of Newark; Mrs. Clara Gomez of Livermore; and Mrs. Emily Reider of Newark; two sons, Manuel "Chick" Santos of Centerville, and Anthony Santos of San Jose; four sisters, Mrs. Mary Dutra, 76 of Centerville; Mrs. Mariana Dutra, 74, of Newark; Mrs. Annie Amarel, 66 of Alviso; and Mrs. Clara Mendonca, 62 of Oakland; three brothers, Manuel M. Santos, 78 of Oakland; Marion M. Santos, 64 of Oakland, and Anthony Santos, 58 of Alvarado; five grandchildren, Maurice and Lorraine Silva, Diane Reider of Newark; Bobby Santos and Norma Gomez.

SHERIFF'S DEPUTIES MEET TO PERFECT THEIR ACTIVITIES

DECOTO — The Decoto and Niles Sheriff's Deputies met here Wednesday evening of last week to perfect their plans and organization with L. W. Musick, Decoto Chief, presiding. Sector wardens were assigned and a census of occupants in every home in each Deputy's sector, with their names, was ordered made.

Some 35 citizens volunteered their services at the Decoto meeting, but had no assignment given them then.

The Alvarado Deputies held a similar meeting Thursday night with Chief James Wasley presiding. Air Raid Wardens are now being appointed throughout the Township to assist the regular and special Deputies during blackouts or other emergencies, under orders from the Sheriff.

One hundred thousand volunteers are being organized by San Francisco's Civilian Defense Council.

DEPUTIES SUBMIT MAPS

CENTERVILLE — More than 100 of the Township's Sheriff's Deputies assembled here Monday night in the justice courtroom upon call of the Township Chief, Don Bates to organize further and make progress reports. Many community Chiefs submitted maps of their sectors and announced their individual censuses had been taken.

ALVARADO C. C. SPONSORS NEW SCOUT TROOP

ALVARADO — The first anniversary meeting of the Alvarado Chamber of Commerce was held in the schoolhouse here last Thursday night with about 45 officers and members present.

All the incumbent officers and board of trustees were re-elected including Frank Machado, president, except Adam Lewis, who was elected secretary to succeed Publisher George Oakes, who was elected publicity director.

The chief business of the evening consisted of the body moving unanimously to sponsor and organize a Scout Troop in Alvarado, at the suggestion of Assistant Executive W. T. Lindsay of Niles.

About 20 boys are in prospect for the troop. The following officers were elected: Charles Baird, troop chairman; Joe Lewis, secretary, Anthony Silva, Scoutmaster, George Vargas and James Wasley, Jr., assistant Scoutmasters.

The Troop committeemen are Julian Yabut, Mike Gardetto, James Wasley, Jr., Manuel Perry, Tony Vargas, Frank Machado and A. J. Rogers.

The committee met Tuesday night for instructions and the troop will be organized soon after the first of the year.

TONY MARTIN HEADS NEWARK FIRE DEPARTMENT

NEWARK — The Newark Fire Department held their final meeting of the year Monday evening at the fire station with Henry Fields, president. The following officers were installed: Tony Martin, president; Jake Springer, vice-president; Manuel Santos, secretary; Orland Meneze, treasurer; and Joe Machado, sergeant-at-arms.

Two new members, Frank Gyax and Joe Calderia were initiated. These men received their badges and took their oath following installation of officers.

Chief Pashote instructed the firemen not to allow any person in the fire station during a blackout except persons connected with Civilian Defense.

LIBRARY AT IRVINGTON IS CLOSED EVENINGS

IRVINGTON — Miss Florence Little who has charge of the Juvenile work at the County Library, conducted a story hour at the Irvington Branch Library on Saturday morning. The children who were present hope she will come again soon. A consignment of new books was received recently. The young people are enjoying Susie Stuart, M. D. Chandler; Ann Bartlett, Navy Nurse by Johnson; Roller Skates by Sawyer and a dozen others for younger readers. The popular new books for adults are: Stars Give Warning by Conrad; Between Two Autumns by Marks; Marriage is a Private Affair by Kelly; Junior Miss by Benson; The Harvest Waits by Pearson and No Love Last by Reeves.

The library has been ordered closed evenings for the duration. It will be opened on Saturday afternoons instead.

BELOVED RESIDENT PASSES IN SLEEP AT THE MISSION

MISSION — The community was shocked and grieved to learn Thursday morning that one of its oldest oldtimers had passed away in her sleep at her home here on Ellsworth Street. Mrs. Elizabeth Guitadine better known as "Lizzie Murphy" to all her friends and neighbors slipped from this world very quietly.

"Lizzie" had spent a lifetime serving her fellow men as a practical nurse. For years she was with Dr. Grimmer on many of his cases. Her health had been bad for the past two years. She spent a part of her married life in San Francisco but later returned to her old home here. She leaves two sisters in Oakland and several children and many friends to grieve her passing.

SUNDAY SERVICE

Reverend Edwin T. Sherman, secretary of the Northern California Conference of the Congregational church will conduct the service Sunday morning at 11 o'clock in the Niles Congregational Church.

HERE'S A CHANCE FOR YOUTHS TO "SEE THE WORLD"

HAYWARD — The California Department of Employment office in Hayward is equipped to furnish information and application blanks to young men interested in the free courses in seamanship and in radio telegraphy being offered by the United States Maritime Commission. It was announced today by Walter Gamman, manager of the Hayward Employment office here.

"Our merchant marine is growing at the rate of a ship a day," he said. "Soon two ships a day will be launched. Good jobs on these ships, paying from \$72 to \$200 a month, including bonuses, await 40,000 young men, many of whom will be trained by the Maritime Service in schools and on training ships during the next 2 years.

"Every young man between the ages of 18 and 23, in good health, who would like to become a seaman or a ship's radio operator, should ask for information about these training courses at his local State employment office. Two years of high school education are required for the radio training course. Although a trainee is expected to serve on ships for at least a year after graduation, the Maritime Service is not an enlisted service.

"Enrollees receive pay while learning, a clothing allowance of \$100, and free transportation to a training school. These schools are situated in Boston, New York City, Port Hueneme near Los Angeles, and St. Petersburg, Florida."

PIONEER LADY'S SUFFERING ENDS MONDAY MORNING

OAKLAND — Death came Monday morning to end five years of invalidism for Miss Annie Estelle Durkey, 73, a native of Warm Springs, who had lived there nearly all her life.

She had been staying in the home of two sisters, Misses Mabel and Lillian Durkey in Oakland, when the end came. Cremation was held Wednesday morning at the Chapelle Piedmont crematorium, and the ashes will be placed in the Odd Fellows cemetery at Irvington, where the family has a plot.

A daughter of the late George and Martha Durkey, Township pioneer residents, the Durkey and the W. A. Sloans had enjoyed their Christmas seasons together for the past 30 years.

LIBRARY HOURS

NEWARK — Until further notice the Newark library will not be open evenings, but will be open Tuesday, Thursday, and Saturday in the afternoons from 2 to 5 as usual, and Monday, Wednesday, and Friday from 4 to 6 to accommodate people who have been coming evenings for books. A shipment of new books was received recently by the librarian, Mrs. Josephine Doorley.

Christmas Happiness to You

THE foundation of business is friendship, and the basis of all enduring friendships can be traced back to an event which occurred some two thousand years ago. Each Christmastime it gives us a great deal of pleasure to extend our best wishes and renew our pledge of loyalty to those whose friendship we cherish. We say now, with the utmost fervor and sincerity, may your Christmas be truly happy and abounding in joyousness.

Christmas! The Season of Peace since the angel choir was first heard over the fields of Bethlehem! Even amidst the thunder of war the magic of Christmas has, during all the centuries, sent its streams of good will around the world.

During this Season of Peace we wish for you all the rich spiritual joys that are our divine heritage at Christmastime, with an abundance of material blessings, too.

For your many evidences of good will we thank you, and we look forward to a continuance of the happy relationship we have enjoyed in the past.

Mrs. Grace Meyers received word that her niece Mrs. Dominic Senseri of San Jose was the proud mother of a 6 pound 11 oz. boy born at the O'Connor Sanitarium

on Saturday morning. He has been named Frank Allen in honor of his grandfather.

Miss Virginia Lawrence went by bus to Sunnyvale to spend the holidays at the home of her sister Mrs. Leonard Amaral and family.

Mrs. Hannah Rose went for the holidays to the home of her daughter, Mr. and Mrs. Edwin M. Buck in Oakland.

Merry Christmas to All... 1941

OUR BUSINESS is dependent upon our many loyal friends who have favored us in many ways during the past year.

It may have been through your patronage... it may have been through a kindly word of recommendation on your part... but in whatever way you have favored us, we are grateful.

It is our sincere and ardent wish that each of you may receive the full blessings of a joyous Yuletide season.

CHRISTMAS JOY TO ALL

BRING in the Yule log, make the hearthfire glow, and let the spirit of joy be unconfined! It is Christmas... that magic time for all the world!

In this "happiest holiday season" we can only wish for you that the happiest possible Christmas joy be yours.

It has been a source of genuine pleasure to have served you during the past year, and we hope for a continuance of our friendly relations.

Airplane Engines on Their Way to the Army

DEARBORN, Mich.—This is a corner of the Ford Motor Company's airplane engine plant, showing big Ford-built Pratt & Whitney airplane engines being packed for shipment to America's defense forces. Production of these powerful engines has been under way for several weeks at the new aircraft unit of the Ford Rouge Plant.

Miss Elizabeth Bettencourt was confined to her bed for a few days this past week, but is back at work in San Jose now.

Last Friday the old Mission San Jose De Guadalupe received a group of real Quakers from Illinois. They were dressed in typical Quaker costume. The men wore full beards and black frock coats and trousers. The women wore black dresses, bonnets and large shawls. The boys and girls were typically modern.

Edwin E. Freitas of Uncle Sams Army has been transferred to San Diego camp according to word received by his aunt, Mrs. Rose Goularte.

Miss Hazel Semas spent a week in San Jose at the home of her aunt Mrs. Tony Silva.

FEDERAL CONTRACTS IN STATE PASS 2 1/2 BILLION MARK!

SAN FRANCISCO — Recorded government contracts awarded in California for defense materials and construction have passed the \$2,500,000,000 mark, and California is moving toward operation on the basis of a war-time economy at an accelerated rate, Preston Hotchkis of Los Angeles, first vice-president of the California State Chamber of Commerce, declared in a report on current economic conditions to the Chamber's Board of Directors.

During July and August, industrial activity, employment, and payrolls continued to rise, the report stated, although shortages of material and skilled labor are beginning to be felt. The consumer's rush to buy goods in advance of impending shortages and higher prices, during August, resulted in new high records of dollar volume of retail stores.

ALLOW AMPLE SPACE

An important driving rule is never to drive too close to the car ahead, states the National Automobile Club. Motorists should allow ample space in which to maneuver if the car should suddenly stop or do something unexpected.

The Farallon Islands, 32 miles off the Golden Gate, have been included in the City and County of San Francisco since 1872.

TRAFFIC RECORDS INDICATE STATE'S POPULATION GAINS

SACRAMENTO — Records of the Department of Motor Vehicles revealed today that 48,160 out of state cars entered California during the first seven months of 1941.

Director James M. Carter announced this is 26.1 percent more than entered California during the same period of 1940 and 4 percent more than entered in the same period of 1939. Most of the visitors are believed to have come to California to seek work in national defense areas.

Based on passenger cars registered for the first seven months of the year, the Department estimates California now has a population of 7,488,418. This is 8.4 percent greater than the estimate of the federal census bureau for 1940 and indicates an increase of 15,000 during the month of July alone.

MANY COUNTY DRIVERS FORFEIT THEIR LICENSES

The Department of Motor Vehicles revealed today that 1,332 persons living in Alameda county lost their driving licenses by suspension, revocation, cancellation or probationary orders during the first eight months of 1941.

Of this number 766 were involved in drunken driving cases. The total was made up of the following: Suspensions 671; Revocations and Cancellations, 238; probationary licenses 418; order of probation 5.

For the entire state a total of 22,935 persons lost their licenses on various offenses and for various periods during the same months.

Illustrating the seriousness of the drunken driving situation, Paul Mason, chief of the Division of Drivers Licenses, said 13,100 or approximately 60 per cent of all cancellations and suspensions were made on charges of driving while intoxicated.

The Pacific Union Club in San Francisco, only one of the brownstone Nob Hill mansions to escape the great 1906 fire virtually unscathed, was formerly the home of James C. Flood bonanza king.

STATE FINANCES WILL SOON BE "OUT OF THE RED"

State Controller Harry B. Riley said today California is in better financial condition now than at any time in the last three years.

Riley who should know since he's the man who keeps his fingers on the State's financial pulse, predicted optimistically that California soon will be out of the red.

The controller announced the general fund cash deficiency has been sliced nearly in half in the last year; that \$23,210,298 was lopped off last month alone, and the deficiency is down now to \$34,069,691, lowest since February, 1939.

An unusually high flow of money from the sales tax and a reduction in expenditures for unemployment relief have made the improvement possible, Riley said.

Wedding Unites
Dr. John Rathbone,
Miss Leona Solon

Miss Leona Edith Solon and Dr. John Streeter Rathbone were married Sunday at four o'clock at the Corpus Christi Church at Niles. Reverend Father Thomas Hennessey officiated at the ceremony. The bride's parents were married at the same church twenty five years ago.

After the wedding a reception was held at the bride's home for the wedding party and the members of the two families and a few intimate friends. Mrs. Clarence Crane was the organist and Mrs. Robert Vieux soloist. The bride was given in marriage by her father, Leon A. Solon. Miss Dorothy Curry of San Jose, a sorority sister of the bride was her only attendant. Best man was Robert Solon, brother of the bride. Ushers were Vernon Ellsworth of Niles, Dr. Howard Lang of Los Angeles, Clyde Voorhees of Centerville, and Dr. Dana Hamlin of Lafayette.

The bride wore a white satin gown with sweetheart neckline, leg-o-mutton sleeves, long bodice with full skirt and long train.

The long veil of white tulle was an over the face veil, which was worn by Mrs. Joseph Solon of Oakland, an aunt of the bride, thirty years ago. The bride carried her Mother's prayer book with orchid marker and streamers tied with lillies of the valley.

The maid of honor wore a blue marquisette gown of floor length and a coronet of flowers. The bride's going-away costume was green wool trimmed with brown squirrel and her accessories were brown.

The bride graduated from San Jose State College, where she was affiliated with the Phi Kappa Pi sorority, Black Masque, women's honor society, and Kappa Delta Pi. National Educational Honor Society. She is president of the Business and Professional Women's Club of Washington Township.

Doctor Rathbone graduated from the University of California and is a member of Xi Psi Pi, dental fraternity and Epsilon Alpha, dental honor society. Following graduation he spent a year in the dental clinic at the Palama Settlement in Honolulu.

AIR RAID WARDENS
BEING APPOINTED
THROUGH TOWNSHIP

Numbers of Air Raid Wardens, to work under the Sheriff's Deputies in every sector of each community are now being or have been appointed and listed in the Sheriff's office, Deputy Detective Peter Starasinc advises this office.

Deputy Starasinc has been appointed liaison (contact) and information officer between the Sheriff's office in Hayward and Washington Township communities.

Local residents will become acquainted with this officer who is now on regular duty in Washington Township. He is not hard to recognize, as he closely resembles President Roosevelt!

KENNETH CALHOUN HEADS
TANGLE & TWIST CLUB

MISSION — The Junior rifle team of the Tangle and Twist club held an election of officers at the club house at Newark on December 10 with President Robert Hunt presiding. The boys shot for medals to add to their collections before the election. Those who will hold offices for the coming year are: Kenneth Calhoun, president; Vice-president, Wayne Calhoun and Wesley Hammond, secretary and treasurer. Robert Hunt was elected as range officer to attend to matches with other teams and take care of scores and targets.

Mrs. Olive Trask spent Christmas with her sister in Petaluma.

Mr. and Mrs. Lorin Mohn had a family dinner on Christmas. Their guests were Mr. and Mrs. C. J. Mohn and family of Irvington, Mr. and Mrs. William Meyers of Newark and Mr. Sam Anderson of Centerville.

Mrs. Rose Hunt of Van Nuys, Mr. and Mrs. Joseph Miller, Wanda, Rowena, Jody, and Leonard Miller of Modesto will be guests of the E. A. Millers on Christmas day.

Miss Alice Smith of Colorado Springs, Mrs. J. R. Grace of San Leandro, and Mrs. J. Robbins of Berkeley were luncheon guests of Mrs. Tom Robbins on Friday.

Mr. and Mrs. Harold Houghton have Mrs. A. J. Wilbe of Palo Alto as their house guest over the holidays. They also expect other members of their families from San Jose and San Francisco.

A new club was organized two weeks ago by the homemaking classes at the high school. It has a membership of 177 students all cooperating in a worthy cause. So far the club has decorated the Christmas tree in the cafeteria and has started children's garments and has knitted sweaters for the Red Cross. The club is affiliated with the State and National Home Economics Student clubs. The officers are President, Marjorie Jason; Vice president, Eleanor Enos; secretary and treasurer, Shirley Gaunt; reporter, Meiko Egashira.

Mr. and Mrs. Henry Snell were the guests of Mr. and Mrs. McLain of Berkeley on Christmas.

Mr. and Mrs. Lester Duffey entertained fourteen guests at a family dinner on Christmas.

Mr. and Mrs. A. J. Petsche entertained Mr. and Mrs. O. E. Walpert on Christmas day.

Mr. and Mrs. Robert Blacow spent Christmas in San Francisco.

Mrs. C. B. Overacker entertained her brother from San Jose and the Williamsons on Christmas day.

Mr. and Mrs. J. C. Shinn are entertaining their family on Christmas. Among them are Mr. and Mrs. Frank Solinsky and children of Volcano.

Mr. and Mrs. Joe Shinn, Jr., have house guests this week.

Mrs. Agnes Nihill and Miss Celeste Bunker of Niles spent Christmas at the home of their brother, James Bunker in Oakland.

NEWARK

Eugene Pashote
Correspondent

The Newark Pavilion Board of Directors made final arrangements for the New Year's Eve Dance sponsored by the board of directors and Jack Kohn and his orchestra, who will provide the music for the evening.

The Ladies Auxiliary of the Newark Fire Department held their second annual Christmas party Friday evening at the Newark Fire Station with Mary Meneze as chairman of the evening, assisted by Carolyn Pashote and Rose Costa.

Some of the Newark students completing the Autumn Quarter at San Jose State College now visiting with their parents over the holidays are Beth Musick, Shirley Bertolotti, Darlene Bolyard, Marvin Boyce, and Eugene Pashote. Al Moran of Berkeley spent the weekend here visiting at the home of Mr. and Mrs. Sam Scott.

CHRISTMAS SPIRIT

Township residents who want to get their minds off the current emergency can get a big "lift" by enjoying an evening at the Niles Theatre. In the lobby stands a beautiful Christmas tree, decorated and lighted in red and silver; the lobby lights are red, green and silver and a big illuminated Santa Claus smiles his greetings along with the genial manager, Bill Helm. The marquee lights, which can be quickly extinguished, are burning gaily. Come and enjoy yourselves!

Frank Joseph Wells, Jr., son of Mr. and Mrs. Frank Wells, was baptized Sunday at St. Edward's Catholic Church with Father McLaughlin officiating. The godparents were Mr. and Mrs. Joseph E. Pashote.

About seventy-five people attended a reception given by the S. E. S. Lodge No. 8 of Newark Saturday evening at the Newark Pavilion, honoring Dr. Westphal, who was elected State Supreme Physician for the S. E. S. lodge of the state of California at a recent convention held this summer at Merced. Various speeches were given congratulating Dr. Westphal, and dancing was held following the banquet.

The Newark Sportsmen baseball team will resume play again Sunday in the Alameda county division Winter League when they tangle in the first game of the second half with the Hayward Acorns at the Newark school grounds, providing weather permits. The Sportsmen have been idle for two Sundays due to wet grounds. Melrose Boosters won the first half of this league.

R. J. Williams and Mr. and Mrs. Royd Williams of Oakland are spending Christmas here with Mr. and Mrs. J. R. Truscott.

Mrs. Sylvan Peterson entertained at a Christmas party Sunday for her youngster. Many of his schoolmates were present.

The Newark School is supplying some sick and disabled people with food for Christmas, being delivered directly by the Red Cross.

The Westvaco Chlorine Products Corporation held their Christmas party at the Newark school Saturday. Following a brief program, toys and candy were distributed to the children by Santa Claus.

Mrs. Nancy Ramos and Mary Mattos of Hayward and Mrs. Lena Calderia of Newark visited a sick friend at the San Jose hospital this week.

The Newark Episcopal church held their first Christmas party Sunday at Newark. Songs were sung and gifts and toys were distributed to the children.

The youngest son of Joe Guarnapo, formerly of Newark, is now living in Tulare. He has been seriously ill, and is now reported to be improving.

A large number of Newark people attended the program and Christmas party given by the American Legion and Auxiliary in Niles, Tuesday evening.

Miss Carol Huddleson from Livermore is giving a program of dance numbers in Niles on Sunday, December 28 for the benefit of the Toyon Berries. Her class from Newark is taking part.

Mr. and Mrs. James Nevis and J. F. Silva spent Christmas day in San Jose visiting at the home of Mr. and Mrs. M. Oliveria.

J. F. Silva and Otto Zorn attended a Christmas party at the Cribari Winery in Morgan Hill Sunday.

A birthday dinner was held Sunday at Oakland at the home of Mr. and Mrs. Anthony Knobles. Those attending from Newark were Mr. and Mrs. George Tosti and Mr. and Mrs. Lawrence Costa and daughter Shirley.

Mr. and Mrs. Howard Begley are spending the Christmas holidays in Culver City, Southern California visiting relatives.

Latest reports show Fresno County to have had the best grape season of record.

Now is the time for farmers to plan tree plantings, according to forestry specialists.

AVAITOR IS SAFE;
TO BE DECORATED

Mrs. Sybil Tynan Tucker of Niles has received word that Gilmer Holton, whom she helped bring into the world at Charlotte North Carolina, now a lieutenant in the air service at Hawaii, is safe after participating in repelling the surprise Japanese attack of December 7.

The officer has been cited for decoration for bravery, according to word received here by Mrs. Tucker. A letter she received from the officer's aunt, Miss Mary Hol-

ton of North Carolina says the radio reported the officer's safety shortly after the attack.

Members of the Girls League of Washington Union High school have signed up for defense work to assist in cooking, nursing and taking care of children. The members of the Boys League of Washington high school have signed up for first aid and fire fighting.

Lieutenant and Mrs. Stanley Remmelmeier, and Mr. and Mrs. G. S. Wallace and Shirley Wallace were guests of the J. A. McDonalds on Christmas day.

HOLIDAY GREETINGS

CHRISTMAS in "the good old days" knew no bounds of joyousness. It is particularly gratifying to us that we number among our steady customers many who have been loyal since "the good old days."

To all of these, to all who have made our friendship since, and to all who read this message, we wish that good old-fashioned kind of Christmas which comes to mind when we think of "the good old days."

WALTER WAYNFLETE
Editor and Owner

THE SHERIFF AND THE D. A. ON THE JOB

Sheriff Gleason did your editor the honor of telephoning last Friday afternoon to highly commend the Township's action in organizing its own compact civil disaster council to establish and coordinate all defense activities under the District Attorney, the Sheriff and the Board of Supervisors.

He promised, busy as he is, to attend our permanent-organization meeting Sunday in Judge Norris' courtroom and especially requested His Honor be present. Re our Council he said "It is a fine thing to get going."

He also relayed the encouraging news that his office had written the Governor earlier in the week requesting that the Washington Township State Guard company be mustered in for duty guarding the Township's industrial plants engaged in making defense products.

Seventeen extra men have been added to the Hayward Sheriff's office he said, as added protection for Washington Township.

Sunday noon District Attorney Hoyt had your editor on the telephone for 20 minutes laying out the program for that afternoon's organization meeting of the Township Defense Council. He gave his entire approval to the undertaking and offered the services of his office in any way he could assist our local organization in safeguarding the property and lives of our Township's 13,300 citizens.

"PENNY A PLANE CLUB"

A bright individual last year developed the idea in a South American country of having club members drop a penny in a given receptacle every time an enemy plane was officially reported shot down.

When this "Penny a Plane Club" reached a membership of 50,000 persons, the monthly collections amounted to \$75,000, enough for the purchase of a British fighter plane.

Nearly all of the 203 citizens of a village called Marshall in Texas this week started such a club, and it is expected the quaint idea will sweep the country like wild-fire.

Billy Hogan, a telephone operator at Quincy, California Monday morning suggested every citizen buy a defense stamp and present it to Uncle Sam. By evening the postoffice and bank in this mountain county seat of 900 persons had cleaned out all the defense stamps in town, and the Richfield Reporter took it over the air state-wide Tuesday evening.

Funny little ideas like these, with their great popular appeal, will readily provide invaluable funds for national defense costs. — thus making fun out of a grim duty.

— Buy Defense Bonds and Stamps —

SAFETY FIRST? OR MONEY FIRST?

The Santa Clara County Sheriff and Coroner recently went before their board of supervisors with a request for additional deputies, cars and supplies for the sheriff's office, and more deputies for the coroner, the deputies to work without pay, during an emergency.

According to Monday's San Jose newspapers, the board flatly turned down all these defense requests, with the statement that the board would only act if ordered to do so by the federal government. . . . Since when has Washington directed any county board of supervisors how to proceed?

By contrast: the Alameda County Board of Supervisors has long since supplied our Sheriff with many additional full-time deputies, — 17 in the Hayward office alone — as well as much necessary equipment.

Apparently the war, with submarines operating only 40 miles off Santa Cruz, has not reached San Jose. Yet the army has quartered heavy artillery in the residential section of San Jose, as revealed in delightfully informative pictures.

The Santa Clara County's board of supervisors' position beggars understanding. When the enemy strikes it is too late for a board to meet and pass laws. Let us pray the penny-wise policy of the Santa Clara board does not contribute to a future tragedy.

Folks had best enjoy their "orgy" of spending this Christmas when money is still free and most anything can still be bought at stores at about the usual prices. Next Christmast . . . ?

Editorial Page of the Township Register

The Better To Bite You With....

AMERICAN-BUILT Curtiss P-40 pursuit planes, which are now taking part in the fighting over Libya, have been decorated by their imaginative RAF pilots to resemble voracious sharks. These planes, called "Tomahawks" by the RAF, are the first U. S. fighter craft to be delivered to the British and Anzac forces in the Middle East in quantity, and they are proving themselves both efficient and tough. One look at them ought to be enough to make most Axis pilots wish they'd stayed home.

STANDARD OIL CO. ASKS EMPLOYEES TO AVOID SPREADING INFORMATION

The Standard Oil Company of California, through its President, H. D. Collier has issued the following statement to its employees:

"Every member of this Company must do his utmost to help win this war. In every possible way we must aid the government and the military forces. One of the most important ways of contributing to success is to protect the Army and Navy by refraining from discussing their activities. We are in contact with the armed forces at many points. Our employees often observe Army and Navy activities. THESE THINGS MUST NOT BE REVEALED. Keep such information to yourself. Don't even tell your friends. A casual comment about the movement of ships, naval or merchant, or about the movement of troops might be of great value to the enemy and lead to disaster. Military authorities are pleading that the public refrain from gossip and the spreading of rumors."

"We have here a most serious duty. Therefore, my earnest request to all employees is to 'SERVE IN SILENCE. DON'T REVEAL MILITARY INFORMATION.'"

STANDARD OIL COMPANY OF CALIFORNIA
— Buy Defense Bonds and Stamps —

BULLY BOYS!

Commendation is heard in many quarters of the patriotic spirit shown by William Davis of Niles, president of the Drop Forgers and Steel Workers local, comprising 260 able-bodied men working at Pacific States Steel, who has volunteered the services of his "army" in any civilian defense capacity where they can be most effectually used.

It is expected this fine body of men can be used in bomb handling, as auxiliary firemen, as rescue and demolition workers, once our Township CDC (Civilian Defense Council) gets these activities organized and administered so as not to interfere with these men's defense manufacturing duties at the big steel plant, whether night or day.

SINK THE ENEMY!

If coastwise vessels which are fired upon by enemy submarines will turn their helms to the attackers, then immediately wire their position to the Fourth Interceptor Command it is to be expected our fighters and bombers can reach the scene in time to locate and sink the enemy varmint. Repeated action of this nature will soon clear up the submarine menace. The Japs know they have embarked on a "suicide war;" let's help them attain their objective!

— Buy Defense Bonds and Stamps —

SUBSCRIBE!

Township residents can best keep in touch with local safety and defense activities by subscribing to The Township Register. The cost is but 4c per week, or 1/2c per page, which is cheap enough.

A review of the current year's subscription register shows that but SEVEN subscriptions were ordered discontinued, usually by persons living at a long distance from Washington Township.

To offset this, one finds 64 voluntary new subscriptions ordered and paid for, which is better than one per week. This does not include, of course, the hundreds of regular renewals by Satisfied Subscribers.

Your editor is always gratified when a subscription check falls out of his mail, and is grateful to the fine families of paid subscribers whose cash support makes this weekly newspaper business possible and successful. — W.W.

Isn't it about time for people to distinguish between the terms "air raid" and "air raid warning"? We have had two air raid warnings or alarms, but no air raids. Let's get the habit of saying "air raid warning" (or "alarm") unless and until we do have a real air raid.

Official Washington seems to be so occupied ruing what happened at Pearl Harbor that it has not time left in which to send reinforcements to the hard-pressed Philippine defenders, nor rescue ships or planes to Wake Island's gallant defenders. Evidently American history has to have an Alamo every so often, so unborn Americans can have something to gloat over.

Nomination for Last Man's Club: — Wake Island.

FUN ON THE SIDE...

Prior to the special session of the California legislature last Friday Attorney General Earl Warren challenged the governor's lawful right to declare a state of emergency existed in this state. . . . Is it un-Californian for the head of our state government to follow the lead of the head of our national government? FDR declared a state of national emergency long before the congress declared a state of war.

Have the big newspapers gone psychic? Just one week before the treacherous attack on Hawaii The Honolulu Advertiser, largest daily paper there published an 8-column page one banner "JAPS TO ATTACK HAWAII WITHIN WEEK." The Japs must have "seen by the papers" because they attacked exactly one week later. . . . How did the newspaper sense this attack before the army and navy authorities did?

Similarly psychic, The Oakland's Tribune's siren quit blowing its noon blast just a few days "B.W." The public was notified it would next be blown only for air raid warning. . . . which occurred just a few days later. . . . Thus does the "nose for news" become an invisible, but apparently accurate, instinct.

JAPANESE AMERICAN CITIZENS GRATEFUL

Washington Township Chapter
P. O. Box 339
Centerville, California
December 18, 1941

Walter Waynflete
Township Register
Niles, California

Dear Mr. Waynflete:

We want to thank you for the publicity given in The Township Register to the resolution as set forth by the Japanese American citizens.

Coupled with the tolerant attitude of the people in Washington Township and the influence of the editorial release is the fact that not one act of violence has been directed toward any of our citizen members or their parents.

We appreciate the favors you and your press colleagues have done for our organization.

Very truly yours,
James Hirabayashi
President

GIVE ATTENTION TO WINDSHIELD WIPERS

Winter driving conditions call for good condition of windshield wipers and these important units should be promptly given any necessary attention, suggests the California State Automobile Association. If the wiper is of the vacuum type, slow or sluggish action may be caused by a defective hose or by grease which has hardened in the mechanism. The hose should be replaced, if that is the trouble. If hardened grease is the cause the unit should be disassembled, cleaned, and lubricated, preferably by an experienced service man.

DEFENSE BOND QUIZ

Q. What is the Treasury's underlying thought in avoiding a pressure campaign to sell Defense Savings Bonds and Stamps?

A. The belief that the American public is anxious to aid to the limit in defense of the Nation, and also wants to save money for future needs, especially since such savings will help to keep down the cost of living.

Q. Should I buy Defense Savings Stamps at retail stores rather than at post offices and banks?

A. Buy stamps wherever it is most convenient. The important thing is to purchase Stamps as often as you can, and exchange the completed Stamp album for a Defense Savings Bond.

Note — To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps are now on sale at retail stores.

to sit on floor away from windows, as fragments or flying glass may strike them. When the all clear signal is sounded they are to go about their work again as usual.

GOOD FRIDAY: It was on a Good Friday (why call it good?) that our Savior was crucified; it was on a good Friday Abraham Lincoln was assassinated; it was on a Good Friday we entered the former World War, April 6, 1917.

All that scrap-iron we so generously let the Japs have Japan is now firing right back at us. . . and how!

The FARMERS CORNER

by RALPH H. TAYLOR
Executive Secretary
Agricultural Council
of California

Rosy pictures are being painted in government reports and news dispatches of the new prosperity which has come to American agriculture.

Typical is a recent story out of Washington, based on figures released by the United States Department of Agriculture, which starts off with the following cheerful paragraph:

"With the current price level of farm products nearly 30 per cent higher than a year ago, it is estimated that the nation's farmers will have a 1941 income of close

to \$11,300,000,000, or 6 per cent greater than in 1940. This figure would even exceed the pre-depression year of 1929, when farm income was \$11,221,000,000."

Emphasis is given, also, to the fact that California farmers, in many instances, are receiving prices for their products well in excess of the national average.

California prices, for example, are said to be 43 per cent higher for oranges than a year ago; for lemons, 50 per cent; for hogs, 64 per cent; for sheep, 32 per cent; for beef, 11 per cent; for butter, 27 per cent; for milk, 32 per cent; for eggs, 49 per cent; barley, 97 per cent, etc.

There are many other optimistic figures — all true, insofar as they go, but the truth of the matter is that they tell only part of the story.

Under the impetus of national defense spending and buying, consumer buying power has increased by leaps and bounds. Of that there can be no doubt. And as a consequence, commodity prices have resultant gains going to farmers.

This, too, is true: That, with all Europe and most of Asia fighting instead of producing, there is a tremendously increased demand for many American agricultural products — a shortage, in some cases, where a year or two ago there was over-production.

But farmers who went through the first World War boom-bust cycle — who saw prices skyrocket, temporarily, to unheard-of levels, only to have the bottom fall out of the market when the war ended — will doubtless view the present "boom" with a certain amount of conservatism, if not skepticism.

Without throwing cold water on the situation, these facts should be kept in mind:

1 — The gains in agriculture have been spotted gains, due in some instances to crop conditions and in others to abnormal demands growing out of a war economy.

2 — Prices for farm products have gone up, without question, but costs, in many lines, have gone

To Hitler, With Love!

TWO CZECHOSLOVAK ground crew men load a couple of Bundles for Berlin into the fuselage of their Wellington bomber, hoping to repay the Nazis for at least some of their acts of oppression in the "protectorate" of Bohemia-Moravia. The Czechoslovak Air Force now has a complete, independent bomber unit in operation from British soil and has participated in most of the recent, severe RAF raids on Germany.

up more than prices. Strikes and the decreased efficiency of farm labor, due to the fact that many farm workers have been lured away to temporary high-priced jobs in the aircraft factories and

shipyards, have both made for higher labor costs in the farming industry which have canceled out most if not all of the gains in prices.

3 — The national defense boom

is not a natural improvement in economic conditions; it is just another sample of "spending ourselves rich." The money being spent in machine shops and shipyards and factories is mostly money we haven't yet earned — which we must pay in taxes for years to come.

That may seem, at first glance, like a pessimistic appraisal. Actually it is not; it is just a realistic appraisal. Few farmers as yet have any conception of the increased tax load which they must carry in the months and years ahead. And the labor situation is due to get worse instead of better so long as the national defense "boom" continues.

This is not a time for farmers to go on a buying spree and purchase new automobiles or new tractors on the strength of the current improvement in prices. It is a time for farmers to look to the future through the eyes of experience — to pay their debts and save toward the inevitable rainy day that must follow. When the war is over, and a bankrupt world tries to turn its swords into plowshares, agriculture will badly need an anchor to windward.

Building material for Old St. Mary's Church in San Francisco was brought both from China and around the Horn, in the 1850s.

Santa Clara County is the largest dried fruit packing and fruit canning center of the world.

"Son, observe the time and flee from evil" — inscription on clock in the tower of Old St. Mary's Church San Francisco.

Biggest international short-wave operating facilities in the world have been licensed in San Francisco.

Largest office building on the Pacific Coast is San Francisco's block-long Russ Building.

NILES CHAMBER HEARS OF OPM OFFICIAL'S VISIT

TUESDAY MEETING SET TO OBTAIN FACTUAL DATE RE PRIORITY STATUS

A. L. Bailey, manager of the Canyon Heights Development company at Niles on Monday noon advised the Niles Chamber of Commerce after their luncheon meeting in the City of Florence Restaurant that a Mr. Brummel, representing the co-ordinator, O. W. Campbell, between OPM and FHA offices would be in Niles Tuesday morning to try and have certain Township Communities declared priority defense areas.

Mr. Campbell, who was leaving for Wyoming, called Mr. Bailey Monday noon and made an appointment for Tuesday at 9 o'clock at the Ellsworth company's office to meet representatives, particularly of the California Chemical company and Pacific States Steel, and the secretaries of Township Chambers of Commerce in order to ascertain:

1. The extent of plant expansions programs;
2. Number of new employees to be housed;
3. Number of present employees who cannot find housing in this Township; and similar factual data.

His office has the authority to award this area priority rating without waiting for Washington to act, according to Mr. Campbell. This latest development brings to a head the Niles Chamber's effort, begun early last fall, to have this area granted priority status.

(Editor's note: late last month Niles was designated one of the three Pacific Coast points for basing scrap metal. This action was taken by Leon Henderson, chief of the Office of Price Administration. South San Francisco and Los Angeles are the two other Coast basing cities.)

Secretary A. J. Petsche read a communication from the Township Red Cross chapter urging the quick raising of \$5,000 in Washington Township for Red Cross war use. President T. C. Wilson urged all

THE RED CROSS NEEDS YOUR CONTRIBUTION

Centerville, California
December 19, 1941

To the Citizens of Washington Township
Greetings:-

The President of National American Red Cross, Franklin D. Roosevelt, has issued a proclamation to the nation asking for immediate aid in the minimum sum of \$50,000,000. Oakland and the unincorporated area of Alameda County has been given a quota of \$250,000.00. This amounts to \$5,000 for Washington Township.

The President has asked that we set aside all previous precedents for giving and contribute generously to this great cause realizing that this area itself may soon be a target for enemy raiders and be in direct need of immediate assistance.

The Red Cross is the organized and experienced agency to meet the sudden calls for relief and has been so designated by the Federal Government. Prior to the recent disaster the Red Cross was spending a million dollars a month to prepare for the emergency that is now upon us. Already vast quantities of surgical dressings and medical supplies are on the way to the Hawaiian Islands. More will be needed. We should mobilize labor, industry, and all citizens in an all out effort to raise our quota as soon as possible.

Send your checks to your town chairman or send to L. C. Marriott, Treasurer, and the amount will be credited to your town quota. Every contribution is an enlistment in the defense of the United States from Barbarism. Let us not forget the slogan.

"SHARE YOUR CHRISTMAS WITH THE RED CROSS."

Very truly yours,

F. T. Dusterberry

Chairman - Washington Township

members to assist with the campaign and give liberally.

The secretary read a proclamation from Governor Olson urging chambers of commerce to aid in private and public saving of waste paper, cartons, magazines, newspapers, etc. as a national defense measure. The President said he understood Township Boy Scouts would undertake this activity.

R. C. Gray of the Mosquito Abatement district was present among the dozen members and the president invited Mr. Bailey to join the Niles body.

OPM OFFICIAL SAYS NILES NEED "IS RECOGNIZED"

Meeting Tuesday morning at the Ellsworth company office in Niles Mr. Brummel, from the OPM-FHA Co-ordinator's office in San Francisco, contacted a small group of local citizens interested in having several Washington Township communities designated a "priority defense area." The official reviewed recent developments in local plant expansions, payroll increases, number of employees living outside the Township, etc.

Before leaving he said: "Niles and several other communities need for this special designation is recognized by our office, and possibly in a few weeks the desired designation can be assigned."

Messrs. A. L. Bailey and Eric Stenhammer, local real estate developers "spark-plugged" this official's visit, in conjunction with the Niles Chamber of Commerce, which initiated this activity early last fall.

RAIN . . . RAIN . . .

The seasonal total of rainfall locally which stood at 5.78 inches on Thursday of last week was boosted by heavy rains Monday midnight and a one-clap thunderstorm Tuesday afternoon. A total of .80 of

COUNTRY DWELLERS MUST ARRANGE FOR SIREN WARNING

When District Attorney Hoyt was asked Sunday what dwellers who live out in the country or up Niles Canyon should do to be sure of hearing air raid alarms he said they should arrange with friends living within siren hearing distance of Township sirens to give them a telephone call.

Local calls are permitted during a blackout and responsibility for blacking out promptly is up to the country dweller as well as those living in towns. Co-operation all around is necessary during this emergency he said.

NEW SEWING ROOM FORMS AT SCHOOL

DECOTO — A new Red Cross room was organized at the Decoto grammar school recently under the chairmanship of Mrs. Emma Amaral with 20 women present.

Meetings will be held each Tuesday afternoon from 1 to 4 o'clock and all women of Decoto who wish to help in the Red Cross program are invited to attend. Efforts are also being made to organize a class in home hygiene and care of the sick.

This brings the number of Red Cross sewing rooms in the township to six, others with their chairmen being Niles, Mrs. A. M. Alves; Centerville, Mrs. Fritz Waltenberger; Alvarado, Mrs. Rebecca Logan; Newark, Mrs. Lesda Brown and Irvington, Mrs. Carl Christensen. Mrs. F. V. Jones is general chairman.

An intention to wed for Ruth Ann Meck of Niles and Pete Gilli of Decoto was published Tuesday.

rain fell locally between Thursday of last week and Wednesday morning of this week, bringing the seasonal total here to 6.58, according to records kept at the Southern Pacific depot in Niles.

DRIVE FOR RED CROSS UNDER WAY IN NILES

ONE THOUSAND DOLLARS TO BE RAISED IN SCHOOL DISTRICT WITHIN WEEK

Chairman Robert Blacow organized his committee of nine workers Monday afternoon at the Central Bank in Niles. In order to prosecute as quickly as possible the work of raising \$1,000 cash in the Niles School District to meet the recent demand of the American Red Cross for fifty million dollars for use in this war.

The group was temporarily held up for want of receipt books, only four of which were received for use in this Township. An adequate number is expected momentarily that the work may be vigorously pursued.

It was determined that the committeemen should contact firms, groups and organizations rather than proceed house-to-house, as these individuals can be contacted more conveniently, and just as thoroughly through the many organizations to which they belong.

Country dwellers will be contacted and manufacturing and smaller firms are asked to appeal to their employees for a 100 percent subscription.

The Niles area has been districted into four block squares with the following committeemen working under Chairman Blacow: Ed Enos, Joe Viveiros, W. T. Lindsay, A. J. Petsche, George Bonde, E. F. Glassbrook, E. A. Ellsworth, A. W. Ebright and Walter Waynflete.

NEWARK VOLUNTEERS RECEIVE INSTRUCTIONS AT FIRE HOUSE

NEWARK — The twenty-three men from Newark who enlisted in the Civilian Defense program to assist the fire department last week, met with the department Tuesday evening at the Newark Fire Station at the request of Fire Chief Joseph E. Pashote, to receive instructions.

During the national emergency, Chief Pashote has drawn up a plan whereby the Newark Fire station will be the center for all communications from all Civilian Defense organizations operating in Newark. The names of chairmen of various organizations and telephone numbers will be listed in the fire station, including all manufacturing plants. The street lights will be controlled at the fire station.

The Air Raid wardens again warn the public to keep off the highway during a blackout.

SCOUTS AT WORK

(Special to the Register)

The Boy Scouts of America, particularly those of the Coastal Area have been asked by Mayor LaGuardia, Chief of the OCD to distribute some 5,000,000 posters giving information regarding air raid procedure. Many of these will be posted in public places. The distribution will begin hereabouts as soon as the posters are received, according to Assistant Executive W. T. Lindsay of the Alameda County Council.

Coming Events

(WHO KNOWS?)

SUNDAY

Afternoon: Newark Sportsmen play Hayward Acorns at Newark School, weather permitting.

2 p. m. Miss Huddleston's dance program at Niles Grammar school, postponed from last Sunday. Public invited.

WEDNESDAY

9 p. m. New Year's Eve dance at Newark Pavilion.

CHILDREN FILL NILES THEATRE AT XMAS PARTY

The Niles Theatre, through the courtesy of Manager Bill Helm, and the Niles Junior Chamber of Commerce held their annual Children's Christmas party Wednesday afternoon with the showhouse filled to the doors as usual.

Nine reels of animated cartoons and other shorts which keep the children squealing, filled two delightful hours, following which a bag of candy, with an apple or orange was distributed to each child present.

This is an annual event, conducted with the compliments of the management.

The Newark School is supplying the Red Cross with cots and white rags for bandages during the national emergency period. This equipment was asked for by Principal Jack MacGregor of the Newark School, fearing that such equipment may be needed here to treat wounded soldiers and to give them first aid.

LAW of the TROPICS

Son Joe writes home:

Dear Mom and Dad,

It's raining outside and I feel like there will be frost on the ground in the morning. But I don't worry about me. I have a gas heater in the barracks where I am writing.

One of those new blower-type gas heaters keep our quarters warm so fast. The heat just goes through the pipes and heats the room. This is the best of heating you should have at home. The man's army is using it and they buy the best of every thing for us.

NATURAL GAS PROVIDES "HOMEY HEAT"

Uncle Sam is seeing that the men of our new army keep fit and well. Menus of the month are wholesome and varied and food quality is top notch. Barracks, mess halls and recreational centers are kept snug and warm with modern Gas Heating. The winter season in army camps will be one of health and comfort.

Will you likewise keep warm and keep well in your home this winter? Right now is the time to get your household in order by installing modern Gas Heating. Do it now while the various types of modern Gas Heating Equipment are still available. You'll save money too by buying at present prices.
